

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By

1 AMEND House Committee Substitute for Senate Bill No. 41, Page 1, Section 537.291, Line 15, by  
2 inserting after all of said section and line the following:

3  
4 "644.029. The department shall allow an appropriate schedule of compliance for a permittee  
5 to make upgrades or changes to its facilities that are necessary to meet new water quality  
6 requirements. For publicly owned treatment works, schedules of compliance shall be consistent with  
7 affordability findings made under section 644.145. For privately owned treatment works, schedules  
8 of compliance shall be negotiated with the facilities recognizing their financial capabilities and shall  
9 reflect statewide performance expectations. The department shall incorporate new water quality  
10 requirements into existing permits at the time of permit renewal unless there are compelling reasons  
11 to implement these requirements earlier through permit modifications. All new permit applicants  
12 may be required to meet any new water quality standards or classifications prescribed by the  
13 commission.

14 Section 1. The provisions of section 444.771 shall not apply to any business entity located in  
15 any county of the first classification with more than seventy thousand but fewer than eighty-three  
16 thousand inhabitants and with a city of the fourth classification with more than thirteen thousand five  
17 hundred but fewer than sixteen thousand inhabitants as the county seat."; and

18  
19 Further amend said bill by amending the title, enacting clause, and intersectional references  
20 accordingly.
